

# Synthesizing Graphic Organizer

What do I already know?	What do I think I will learn?	My feelings while reading?
What connections am I making?	Now I think...	What are the facts? (who, what, where, when, how)
Questions I have while reading?	What I found interesting or surprising to me?	What have I learned?

Source citation \_\_\_\_\_

**Background Knowledge (Before) + New Information (During) = Changed Thinking (After)**
